

Pilot/Controller Forum

The mission of the FAA is to serve our customers and work proactively to ensure the safe and efficient use of the National Airspace System. Learn the proper procedures for communications and operations at towered/nontowered airports. Airport signage and markings will also be reviewed as well as ground operations.

Directions: Proceed to the Fernando Luis Ribas Dominicci Airport at Isla Grande, PR. Take the main road towards the Ports Authority passenger terminal. Continue past the terminal and the ATC control tower to the Interamerican aeronautical building. The meeting will be held in classroom 206 on the second floor.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
